Item 14: Safeguarding: Delegation of Reporting of Serious Incidents to the DSO

The Diocese had instructed PCCs that they should pass a Resolution delegating the reporting of Serious Incidents to the Diocesan Safeguarding Officer (DSO). A template for the Delegation had been circulated to PCC members and would need to be completed and returned to the Diocesan Office by 30th May 2026.

A Resolution was proposed to approve the Delegation of Reporting of Serious Incidents to the DSO and adopt the procedures detailed in the template. It was further proposed that the smaller group of Trustees appointed to deal with any such incidents (2.1 in the template) should consist of the Incumbent, the Safeguarding Officers and the Church Wardens.

The PCC unanimously approved the Resolution and the appointment of the group of Trustees.

The Revd Dr Catherine Dowland-Pillinger
Incumbent.
